The Border Operations Centre received the e-mail below with the request to forward it to the appropriate contact within the Agency.

Rick, as this relates to follow up after the ADM NS Ops Committee, I was not sure if it was appropriate to send to you or to Geoff Leckey. I am flipping this to you because the BOC has been receiving updates from Contraband Intelligence within your directorate. Would you please let me know if you are the appropriate point of contact for this request.
